Re: Public Records Act Request – Police Disciplinary Records

Dear MuckRock News:

This will confirm receipt of your payment of \$129.80 for records. As indicated in our prior correspondence dated May 10, 2019, the three files that include 1,298 pages for \$129.80 are subject to pending litigation. However, after further review, we have determined that those records are producible at this time under the statute. We will send those documents under separate cover next week.

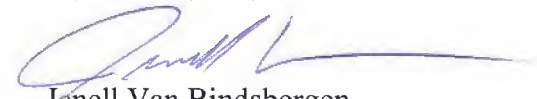

However, in our May 10, 2019, response we also identified an additional 1,786 pages. Are you withdrawing your request for those records at this time? If not, will you be providing the City with a check for \$178.60?

Please indicate in writing if you are still interested in receiving the producible 1,786 pages of records. If you are, please provide a response as to when payment of those records can be expected.

If you have any questions, please feel free to contact me.

Sincerely,

LOZANO SMITH
